

Adding Your Reading List to eClass

Before you begin: Create your online reading list with the Library's [Course Materials & Reading List Service](#). NOTE: It is currently recommended that you use the Chrome (preferred) or Firefox browser.

Step 1. Sign into your eClass course and turn editing on. Navigate to the section where you want to add the list.

Step 2. Select "Add Activity or resource"

Step 3. Select "Library Reading Lists"

Step 4. On the next screen, under "Activity Name", name your reading list in a way that fits that context of your course. Then click on "Save and display".

Adding Sections of a Reading List.

You can split up your reading list into sections and add these to particular sections of your course (i.e. readings for Week 2). Once you have created a reading list with sections, follow the instructions above to **Step 5**. In addition to the course code at the top of the left dropdown menu, you will now see “the list” in the right drop down menu. Click on the “the list” to see your reading list sections and select the appropriate one.
